

September 2011

The Friends of St.Andrews.

Firstly, I would like say welcome or welcome back, to all of the St.Andrews parents & carers & to remind you how The Friends fund raising helps support St.Andrews Infant School.

The Friends of St.Andrews is a fundraising group run by volunteering parents & carers. This can include mums, dads, grandparents, older siblings or anyone else associated with St.Andrews school pupils. The money raised pays for or goes towards new school equipment, school trips & other social events.

We hold meetings directly after school, in one of the classrooms, where we discuss possible future fundraising ideas as well as sorting out events that are coming up.

If you can help us in any way or have some fund raising ideas, please have a chat in the playground or come to a meeting. Everyones' support is always hugely appreciated.

Thanks

Paula
