

Dear All Friends of St Andrew's,

Head Teacher Appointment, St Andrew's CoE Infants School.

It is with great pleasure that I write to inform all parents, children and all Friends of St Andrew's CoE Infant School that the Governing Body have appointed Ms Anne Shedden as the permanent Headteacher.

While the Governing Body were required to test the market for best applicants, the interview process left the panel certain that Ms Shedden, with her passion and enthusiasm, is undoubtedly the best candidate for the job.

I am sure that all involved with the family of St Andrew's are aware of Ms Shedden's affection for the school, staff and particularly the children. What became very clear during the interview process was that Ms Shedden's successes to date are seen as a platform to further achievement from which I am sure we will all look forward to seeing the benefits of.

Ms Shedden's appointment comes with the blessing of the Local Authority - who we are so very grateful to for gifting us such a wonderful and inspirational talent - as well as the Diocese of Oxford, with whom she has endeared herself to with her leadership skills, recently acknowledged during the SIAS inspection, and fostered in a faith environment.

I take the opportunity to congratulate Ms Shedden on her new appointment, and I am sure that you will all join me in this.

We all look forward to working with Ms Shedden and to a very bright future for St Andrew's CoE Infant School.

Yours sincerely,

Adam Howard
Chair of Governors
