

### **Sign2Sing - A World Record Breaking Attempt**

Last year St Andrew's took part in Sign2sing. This is a World Record breaking attempt for the Guinness Book of Records for the most people signing, in Sign Language, the same song at the same time.

The attempt the year will be on Wednesday 8<sup>th</sup> February at 2.45pm. The children have already been busy practising the songs

We think this is a terrific initiative which will teach the children a new and valuable skill as well as raising awareness of Deaf issues.

SignHealth, which is a national charity, dedicated to improving the health and wellbeing of deaf people, are behind the event. They are hoping to raise some much needed funds to enable them to continue their valuable work. To achieve this they are asking for a suggested voluntary donation of £2.00 per child taking part. They do, however, want this to be as inclusive as possible, so any donation, however small, would be greatly appreciated. Please send your donation to school in a sealed envelope marked Sign2Sing. Thank you for supporting us with this event.
