12<sup>th</sup> May 2011

Dear Parents,

Please accept my apologies for the lateness of this letter. I am writing to inform you of the topic areas the children will be covering this half term and next.

We will keep you informed of the topics being covered, and ask if you have expertise or knowledge in a particular field that would be a great asset to the subject. Your co-operation is always much appreciated.

This half term, the main topic area is "Around The World". Some of the activities include:

- A contrasting locality,
- Our homes
- The local area
- Different cultures and beliefs

We will see the culmination of our Creative Partnership Workshops in our production on 13<sup>th</sup> May.

When we return from the half term break on the 7<sup>th</sup> June, we will be studying the seaside and water world. We will be looking at seaside holidays in the past, using electricity, floating and sinking and moving pictures in D.T. P.E. is a dance unit called At The Seaside. There will be other elements covered but these are the main areas.

We have planned an end of term visit to Whipsnade Zoo, on Wednesday 20<sup>th</sup> July, further details to follow. Also please note the date for our end of term summer concerts has been changed to Wednesday 13<sup>th</sup> July. Look out for the latest up-to-date version of our Diary Date sheet which will be sent home on Monday.

We are excited to have taken delivery of six digital video cameras for the children to use across the curriculum. We are looking forward to the results of our budding film makers.

Thank you

J Waugh  
Assistant Headteacher
